مجله	سال	عنوان مقاله
Journal of Biomedical Physics and Engineering	2022	Assessment of Field-in-Field, 3-Field, and 4-Field Treatment Planning Methods for Radiotherapy of Gastro-Esophageal Junction Cancer
Journal of Mining and Environment	2022	CFD-based Modeling of Sarin Gas Dispersion in a Subway Station-A Hypothetical Scenario
Journal of Philosophical Investigations	2022	Cloak of Law on Stature of Morality
	2022	Cloak of Law on Stature of Morality: a critical view on Patrick Devlin's attitude toward legal enforcement of conventional morality

Egyptian Journal of Radiology and Nuclear Medicine	2021	Grading of meningioma tumors based on analyzing tumor volumetric histograms obtained from conventional MRI and apparent diffusion coefficient images
Iranian Journal of Medicinal and Aromatic Plants Research	2021	Effects of humic acid and iron nanochelate on osmolytes content of black cumin (<i>Nigella sativa</i> L.) under drought stress conditions
Journal of Fisheries	2021	Determination of median lethal concentration (LC50) of Vista fungicide in Amur fish (<i>Ctenopharyngodon idella</i>)
Radioprotection	2021	Trade-off between breast mean glandular dose and image quality in digital and conventional mammogram systems: A multicenter study
International Immunopharmacology	2021	The radioprotective effects of alpha-lipoic acid on radiotherapy-induced toxicities: A systematic review
Transcendent Policy	2021	A Study of the Accelerating Factors for the Creation of the New Islamic Civilization in the Idea of the Supreme Leader
Modern Care Journal	2021	Evaluation of the Impact of Webinar Training in Comparison to Conventional Training on COVID-19 Risk Perception in Emergency Medical Technicians
Quarterly Scientific Journal of Rescue and Relief	2020	Effect of Educational Workshops on Disaster Risk Perception in Nurses
International Journal of Radiation Research	2020	Estimating the cancer risk and mortalities induced by routine digital radiography examinations on patient of different ages in Mazandaran province
International Journal of Radiation Research	2020	Dosimetric comparison of conventional and field-infield techniques in early-stage breast cancer radiotherapy

Rays of Criticism in Arabic and Persian	2020	A Comparative Study of 'Zahāf' (modification; substitution) meaning and application in Persian and Arabic Aruz (prosody)
Iranian Journal of Finance	2020	Investigating the Relationship between Voluntary Disclosure and Financial Performance and Earnings Management (Emphasizing the Moderating Role of the Corporate Life Cycle)
Iranian Journal of Applied Animal Science	2020	Effect of aqueous-alcoholic extract of Hibiscus sabdariffa calyx and leaf calyx and leaf on performance, egg quality, immune system and antioxidant balance of laying hens
مجله آب و فاضلاب	2020	جذب انتخابی جیوه (II) از محلول آبی با استفاده از نانوذرات کیتوزان عامل‌دار شده با کربن دی سولفید
Journal of Mining and Environment	2020	Method of Grading Subway Stations Based on Evacuation Capability: A Quantitative Method
Forests	2020	Effect of different soil treatments with hydrogel on the performance of drought-sensitive and tolerant tree species in a semi-arid region
Journal of Chemical Reactivity and Synthesis	2020	Evaluation of CO ₂ /CH ₄ Gas Separation in PVA and PVC Mixed Matrix Membrane Permeation Models
Advances in Horticultural Science	2020	Effect of spread and shallow irrigation wetted area and application of organic mulch on citrus decline amelioration
Annals of Biology	2020	The effect of irrigation interval on yield, yield components and water productivity of common bean (<i>Phaseolus vulgaris</i>) cultivars in a semi-arid area
IRANIAN JOURNAL OF ANIMAL SCIENCE RESEARCH	2020	The Effect of Sour Tea (<i>Hibiscus sabdariffa</i>) Plant Extract on Immune System, Plasma Antioxidant Status, Oxidant Balance and Blood Biochemical and Functional Parameters of Old ...
Iranian Journal of Veterinary Research	2020	Morphological and molecular identification of <i>Corynosoma caspicum</i> , and its histopathological effect on the intestinal tissue of a Caspian seal (<i>Pusa caspica</i>)

Clinica e Investigacion en Arteriosclerosis	2020	Efecto del extracto acuoso de Lavandula officinalis en la reduccion de colesterol, triglicéridos y otros metabolitos lipidicos en los ratones BALB/c hembra
Agricultural Economics Research	2019	Explaining Indices and Organizational Entrepreneurship Patterns in Rural Cooperatives
Journal of Chemical Reactivity and Synthesis	2019	Mathematic modeling of purification of biodiesel with PES polymeric membrane
Climate Change and Climate Change	2019	Behavioral Analysis of Heating Degree Day Requirement in Khorasan Area
Hayat Journal	2019	Effect of pre-hospital trauma management training program on the capability of clinical decision-making in emergency medical technicians
